PETITION TO REVIVE AN

UNINTENTIONALLY ABANDONED APPLICATION

Dear Sir:

Applicant hereby requests that the above referenced application be revived. A final office action regarding the present application was mailed on July 15, 2003. Applicant responded to the final office action, but the Examiner indicated that the amendment would not be entered. Applicant thereafter filed a continuation application, No. 10/755,849, which claims priority to the present application. Applicant was, however, unaware that an extension fee required to maintain co-pendency between the two applications was not filed. The omission of

the fee was only recently discovered while preparing a response to a Notice of Missing Parts for the continuation application.

Applicant therefore requests that the present application be revived to establish co-pendency between the parent application and the continuation application (U.S 10/755,849, Filed 1/12/2004, Attorney Docket No. 1311.APT.CI). Applicant has included a credit card authorization form in the amount of \$665.00 for the small entity petition fee to revive an unintentionally abandoned application. Applicant authorizes the Commissioner to charge any amount owing or credit any overpayment to deposit account no. 50-2720. Should there be any questions regarding the present petition, please contact Applicant's counsel, Randall B. Bateman, at (801) 533-0320.
